

COVID-19 OFFICE POLICIES

Here's how I intend to keep us all as safe as possible during COVID-19.

What I'm doing:

- Staggering appointments to prevent any client overlap.
- Keeping the door locked to prevent anyone from entering.
- Wearing a face mask while treating.
- Washing my hands frequently.
- Sanitizing frequently touched surfaces between clients.
- Following Governor Northam's requirements beginning on page 18 of the PDF found here: <https://www.governor.virginia.gov/media/governorvirginiagov/governor-of-virginia/pdf/Virginia-Forward-Phase-One-Business-Sector-Guidelines.pdf>.
- Observing social distancing in my private life.

You'll need to:

- Wear a face mask to your appointment.
 - If you don't have one, visit this link to make your own: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>
 - **You must wear a face mask to enter and remain in the clinic.**
- Email me to cancel your appointment if you've had a fever or COVID symptoms within the 14 days preceding your appointment.

Thank you for your understanding and cooperation,

Brian Huwe
